LED traffic light module 5V traffic light lighting module

- **Size: 56*21*11mm**
- **Color: red yellow green**
- **LED: 5mm *3**
- **Brightness: normal brightness**
- **Voltage: 5V**
- **Input: digital signal output**
- **Interface: common cathode red yellow green separate control**
- **Platform: rduino, 51 single chip microcomputer**
